Dear Parent/Carer,

I am writing to let you know about some important changes that are happening with the CWA Academy Trust.

As you may know, the College of West Anglia (CWA) founded the trust and has acted as sponsor for the last seven years. CWA recently decided that the time was right to withdraw from its role as sponsor to enable the trust to proceed as an independent body. This decision was confirmed at the trust board meeting on 21st March.

The change means that CWA and the other members will resign and new members will be appointed. They will then decide a new name for the trust and appoint a new board of directors. We are currently working through the necessary legal arrangements to formalise this process and expect this to take a matter of weeks.

I would like to reassure you that this change will not affect the day-to-day running of any of our academies and will not impact on students and staff.

I will write to you with a further update in due course but, in the meantime, if you have any queries or questions, please email me via lois.hyland@cwaacademytrust.co.uk

Kind regards,

Duncan Ramsey
Chief Executive
