We had the pleasure to have lots of Year 6 students come to KLA this week as part of our transition work with Primary Schools. On Monday we had 123 students take part in PE and Science activities and it was an amazing day! I would like to say a big thank you to the PE and Science departments, our student commissioners, all the sports students from CWA for all of their hard work on the day and a special thank you goes to Miss Tea for organising the day with me, it was a huge success. There will be more chances throughout the academic year for students in Years 4, 5 & 6 to come into KLA for subject activities.

Thank you to PCSO Cockerill for your assembly on sexting, I found it very informative and the students certainly took it on board.

Our non-uniform day and coffee morning today went very well raising lots of money for Macmillan, it was nice to see students getting into the spirit wearing the colour green!

## Key Stage 4 Round Up – Compiled by Mrs Defty:

Mr Endersby, the Enrichment Co-ordinator for MacArthur House delivered assembly this week to all students in MacArthur House. As it was our first house assembly he spoke about Helen MacArthur, who we are named after. From an early age this young woman took risks, was passionate, determined and made huge sacrifices to achieve her goals. He also asked them to come up with suggestions for this year's house charity.

It was a pleasure to see many Year 6 primary school students enjoying Sports and Science with us on Monday.

I hope the weather stays fine for our Year 7 students on the PGL trip this weekend.

Once again our coffee morning was a great success. Thank you to all who supported us, Mrs Thomas for her organisational skills and the Year 11 catering students who baked and helped. The funds were boosted by a non-uniform day and many put their own take on the theme of wearing something green.
