

1<sup>st</sup> February 2017

Dear Parent/Carer,

There is just a short period of time left until Year 11 take their exams, it is essential that we work together to support students both in school and at home.

On Wednesday 8<sup>th</sup> February there will be an evening event at King's Lynn Academy with the main focus being 'Helping & Supporting Year 11'. The evening will start at 6.15pm and will involve subject specific help for Maths and English, as well as how to revise and coping with the stress of exams. This is an important evening and obviously attendance is vital.

The sessions will be run by the following members of staff:

Maths - Mr Essex, Head of Maths

English - Mr Frammingham, Director of English for the Trust

How to Revise - Mr Morrison, Executive Principal

Coping with Exam Stress - Mrs Westbury, Assistant Principal

Mr Rimmer and Miss Backham will also be available for any further questions during the evening.

This is also an opportunity to ask any questions that you may have before the next set of mocks start.

The next few months are crucial for all Year 11 students and I am certain that as we continue to work together, all students will reach their potential and go onto be a success beyond King's Lynn Academy.

Yours sincerely,

Mr Barney Rimmer  
Head of School
